WORK HISTORY

BROADCAST INTERN June 2016 - September 2016

Minnesota Twins

Served as broadcast assistant for the Treasure Island Baseball Network, radio home of the Minnesota Twins. Produced segments for use in the pregame show, interviewing players and coaches about topics pertaining to the upcoming game. Listened to other broadcasts from around baseball and cut highlights for out-of-town scoreboard updates. Conducted interviews with manager Paul Molitor and top performers for the nightly postgame show. Operated under tight deadlines and short turnaround for breaking news content. Tracked promotional reads that played during commercial breaks.

MEDIA RELATIONS INTERN June 2016 - November 2016

Minnesota Twins

Worked with Baseball Communications department concurrent with broadcast internship, compiling game notes, minor league reports, media clips and other sports information for internal and external use. Wrote articles for Twins Magazine, the official gameday publication of the club. Assisted in historical team archiving and documentation. Facilitated interview requests and other responsibilities relating to print, digital and broadcast media.

PLAY-BY-PLAY BROADCASTER April 2015 - May 2016

Big Ten Network / BTN Student U

Announced Northwestern Wildcats baseball, basketball, softball and volleyball games for the Big Ten Network's BTN+ online subscription service. Occasionally assisted in technical side of broadcasts, running graphics and live text for internet stream. Select broadcasts were chosen to air live on the linear network or re-air on tape delay.

BROADCASTER / DIRECTOR OF MARKETING AND FINANCE September 2013 - May 2016

WNUR Sports

Announced Northwestern Wildcats baseball, basketball and football games for 89.3 WNUR Evanston-Chicago. Radio broadcasts of baseball and basketball games were often simulcast for Studio N video streams. Hosted sports talk shows and served as board engineer in studio. Traveled with football and women's basketball teams on road trips around the Big Ten. Negotiated advertising contracts in role as Director of Marketing and Finance 2015-2016.

PLAY-BY-PLAY BROADCASTER March 2015 - August 2015

Wareham Gatemen

Served as play-by-play and color broadcaster for the Wareham Gatemen of the Cape Cod Baseball League for 45 regular season and playoff games. Home games were broadcast on local television and road games were broadcast over internet radio. Conducted regular player and coach interviews for in-game and online content. Worked closely with front office and professional scouts as public relations representative. Wrote game recaps for team website and operated official Twitter account. Edited audio and video highlights in Final Cut Pro X.

PUBLIC RELATIONS INTERN March 2015 - August 2015

Cape Cod Baseball League

Worked as public relations representative for the Cape Cod Baseball League while broadcasting games for the Wareham Gatemen. Recorded daily scoreboard updates from around the league to air on league sponsor NewsRadio 95 WXTK. Announced 2015 Cape League All-Star Game for NPR Radio. Served as league representative at public events and appearances.
